Meet Haylie McCleney

Haylie is passionate about perfecting her craft, and this is where her love of strength and conditioning first started. She graduated with a degree in Human Performance from Alabama, then later went on to complete a Master's degree in Exercise Physiology from Florida Atlantic University. She is a member of the National Strength and Conditioning Association and is a Certified Strength and Conditioning Specialist (CSCS). Haylie and her two younger brothers grew up relentlessly playing sports in their backyard, creating both her love for competition and overall drive to achieve superior athleticism. Haylie and her siblings followed directly in their father's footsteps, each ultimately discovering their love for baseball. Growing up in a small, conservative town was deeply impactful on Haylie's faith, sexuality and love for people across all different backgrounds. Haylie and her fiancé, Kylee Hanson (2018 National Champion and ACC Pitcher of the Year), are planning their wedding shortly after the Tokyo Olympics.
